Central Construction Training Ltd
Because quality and safety matters!

Central Construction Training Ltd offers a range of Accredited Training Qualifications for people with responsibility for management in the Construction Industry.

We provide the highest quality training courses delivered by the top Health & Safety Trainers in the United Kingdom. We are also a specialist provider of Level 3-7 Supervisor and Senior Management NVQ qualifications.

Senior Construction Management NVQ Level 7 Diploma

Central Construction Training is excited to announce that we are accredited by the Edexcel, to deliver and assess candidates in the new level 7 in Construction Senior Management. This new NVQ when completed will not only enable you to apply for a CSCS Black Card, as it is a degree equivalent qualification, it will also mean you gain automatic membership on application to the CIOB (The Chartered Institute of Building) when you complete the assessment.

The aim of this qualification is to recognise the knowledge, skills and competence demonstrated by an individual in the workplace. This Level 7 NVQ Diploma in Construction Senior Management provides the opportunity for individuals who are working as managers within the construction and built environment sector to demonstrate their competence. The units in this qualification are derived from National Occupational Standards.

Who is this for?
This NVQ is suitable for Assistant Site Supervisors, First line supervisors or those beginning a construction supervisory role in any one of a number of areas. It allows for the recognition of tasks currently being performed, measured against the National Occupational Standards for the Construction Industry, and can act as a development tool to progress a candidate’s knowledge, competence and performance.

Methods of Assessment
- Building a portfolio of evidence
- Answering Written questions
- Observation in the workplace

Qualification | Certification
- NVQ Level 3 Diploma
- CSCS Supervisor Card
(Candidates must have an up to date touch screen Health and Safety Test to apply for the card)

Cost: £1,395 +VAT Including Application for CSCS Gold Supervisor Card upon completion

Appointed Person Lifting Operation NVQ Level 6 Diploma

What is the purpose of this qualification and who is it for?
This programme is aimed at individuals who hold a red CPCS card and need to achieve the relevant NVQ in order to convert to a Blue CPCS Competent Operator Card. For those who don’t follow the CPCS Scheme, the qualification can be undertaken to underpin their competency in the role of Appointed Person.

Grants are available to companies who pay Levy for full details visit www.cskills.org/levy-grant/ or alternatively contact us. We have a team of expertly trained Assessors for delivery of the NVQ Level 6 award. We will work with you and visit you at your place of work to minimise disruption and down time.

Methods of Assessment
To achieve the qualification candidates must gather naturally occurring work based evidence which would include some or all of the following:
- Customer correspondence, enquiry & site visit request forms
- Initial site visit drawings and any related specific paperwork/photographs
- Method Statements/Risk Assessments, Job Sheets, Time Sheets, Crane Duty Charts
- Copies of CPCS card and any relevant training certificates
- Any other documentation which is agreed as being valid by the assessor and candidate

Qualification/Certification
- NVQ Level 6 Diploma
- CPCS A61 Appointed Person
(Candidates must have an up to date touch screen Health and Safety Test to apply for the card)

Cost: £1,395 +VAT Including Application for CPCS for A61 Appointed Person Card.

Construction Site Supervision NVQ Level 4

Who is this for?
This NVQ is suitable for Assistant Site Supervisors, First line supervisors or those beginning a construction supervisory role in any one of a number of areas. It allows for the recognition of tasks currently being performed, measured against the National Occupational Standards for the Construction Industry, and can act as a development tool to progress a candidate’s knowledge, competence and performance.

Methods of Assessment
- Building a portfolio of evidence
- Answering Written questions
- Observation in the workplace

Qualification | Certification
- NVQ Level 3 Diploma
- CSCS Supervisor Card
(Candidates must have an up to date touch screen Health and Safety Test to apply for the card)

Grants are available to companies who pay Levy for full details visit www.cskills.org/levy-grant/ or alternatively contact us. We have a team of expertly trained Assessors for delivery of the NVQ Level 6 award. We will work with you and visit you at your place of work to minimise disruption and down time.

**Construction Site Management NVQ Level 6 Diploma**

**What is the purpose of this qualification and who is it for?**
The aim of this qualification is to recognise the knowledge, skills and competence demonstrated by an individual in the workplace. This Level 6 NVQ Diploma in Construction Contracting Operations Management - General provides the opportunity for individuals who specialise in general construction contracting management to demonstrate their competence.

This qualification is appropriate for employees in the Construction and the Built Environment sector working across a broad range of areas. It is designed to assess occupational competence in the workplace where learners have managerial responsibilities, technical skills and knowledge at a level required by the construction industry for their position. These should be across a broad range of activities with a substantial degree of personal responsibility and autonomy.

The units in this qualification are derived from National Occupational Standards
