Because quality and safety matters!

CITB Health and Safety Awareness

Accredited Site
Safety Plus Provider

1 DAY COURSE IN CANNOCK, WEST MIDLANDS

This one day course can be for those who have entered, or are about to enter, the construction and civil engineering industry. The course gives delegates an awareness of health and safety and how it affects their daily role. It can be used as preparation training for the CITB Health, safety and environment test or as refresher training.

This course is the first step in the progressive CITB Site Safety Plus suite of courses that range from training for operatives into the industry up to senior manager / director.

**Book your CITB Health and Safety Awareness course with us today
for only £145 +vat Course only
£175 +vat Course & H&S Test**

Visit our website for dates www.centralconstructiontraining.co.uk

From 1st July 2014 the green Construction Site Operative (CSO) card will no longer be issued. There will be a new green CSCS card only available for people working in labouring occupations. If you are still an acting Site Labourer then you can simply renew or apply for your CSCS labourers card by sitting the

1 day CITB accredited Health and Safety Awareness course. You will also need to ensure that your CSCS Health, Safety & Environment test is in date within the last two years.

If, however, you are a tradesman then CSCS will ask for you to complete your relevant trade NVQ Level 2 in order to then upgrade to the CSCS Skilled Workers card.

CCT can provide assessment for all Construction NVQ routes, please contact us for further information on starting your NVQ for your skilled workers card

CITB Health and Safety Awareness

COURSE PROGRAMME

SUCCESSFUL CANDIDATES WILL GAIN KNOWLEDGE AND SKILLS IN:

- Their individual responsibilities for their own safety and the safety of others
- Typical construction hazards and how these are controlled
- How everyone can help achieve better practical standards of safety on site
- Legal requirements and liabilities
- Working at height
- Manual Handling
- Fire prevention
- Work equipment
- Occupational Health

This is a highly interactive course delivered by means of case studies, classroom discussion, group work and individual/group presentations. Candidates will be continuously assessed and will have to successfully complete a multiple-choice test.

DURATION OF COURSE: ONE DAY

COST: £145 +vat Course only | £175 +vat Course plus H&S Test
